Minutes of the October DKG Meeting

The Alpha Eta Chapter of Delta Kappa Gamma met on October 5, 2017 at the Career and Technology Center, TISD at 5:00 p.m. Andi Middendorf called the meeting to order. The members continued the discussion on community service projects. Members concluded that the project would be to bring laundry detergent and coffee and the items donated to the Highway 80 Mission located in Tyler. Please bring one of those items to the November meeting.

Linda Ashby shared that she had received a pledge card from the Salvation Army and a donation of \$48.00 would feed 22 people for the annual Thanksgiving Dinner. The item was discussed, second, and voted to send \$48.00 to the Salvation Army for that community project.

Next on the agenda was the discussion of Alpha Eta's December Fund Raiser.

Discussion at a previous meeting had suggested that one member would investigate the possibility of having a wine tasting for the fund raiser. However, the research concluded that the wine tasting event was not feasible.

December 2, 2017, was chosen as the date for the fund raiser and will be at Andi's home. (More information to follow.) Every member will sell 5 raffle tickets for the event, or a total of \$25.00. The meeting was adjourned.

State Theme:

Bridging Yesterday and Tomorrow

A Tour of the Career and Technology Center was conducted by Kathy Parker and refreshments were served. A special thanks to Linda Ashby, Linda Wright and Mary Jane Williams for providing the refreshments.
